In re Parmalat Securities Litigation, 04 md 1653 (LAK)

Dear Mark, Jamie and Bruce:

Would you please let us know by Thursday whether you would like to take the expert deposition under Fed. R. Civ. P. 26(b)(4)(A) and (C) of Dr. Chiaruttini. If you do, we would like to schedule her deposition for two days during the week of July 23. As before, the deposition will be in Italian.

Because Dr. Chiaruttini has already been extensively deposed, we would expect that she will not be asked the same questions previously answered.

Finally, we ask that you confirm that Dr. Chiaruttini's signing the protective order is a consent to the jurisdiction of the court solely for purpose of enforcing the terms of the protective order and does not otherwise subject her to jurisdiction. Although your clients are the only parties that would have any right to take her deposition, we would also ask that, if any other party to the MDL proceedings disagrees with these propositions, it let us know by Thursday as well.

Sincerely,
